**HELPING TO INTEGRATE
CHILDREN AND YOUTHS
WITH DISABILITIES
IN OUR COMMUNITIES.**

MISSION STATEMENT

Angels From Heaven Youth Foundation Inc. is dedicated to working with organizations to develop and promote integration programs for children and young adults with disabilities, their families and the communities in which they live; and to further educate and heighten awareness within communities as to the abilities and contributions of the disabled.

The Angels From Heaven Youth Foundation Inc. (Angels) is a newly established fund raising and grant-ing organization. We are dedicated to educating and heightening awareness of the substantial contributions that physically and developmentally challenged children and youths can make in our community.

We believe it is the human spirit that can enhance the quality of our lives. It helps us to meet both the opportunities and challenges that shape us, and reveals that we can all be more than the sum of our abilities and experiences.

YOUR CONTRIBUTION WILL MAKE A LASTING DIFFERENCE

Founded in 2006, Angels From Heaven Youth Foundation Inc. is a non-profit charitable organization.

Angels provides support to children and young adults with disabilities by supporting programs in our communities.

Angels relies on donations and support from individuals and the business community, in order to sustain its programs and to promote recreation, education and social integration, ability not disability, and integration not segregation.

WHERE WE ARE GOING

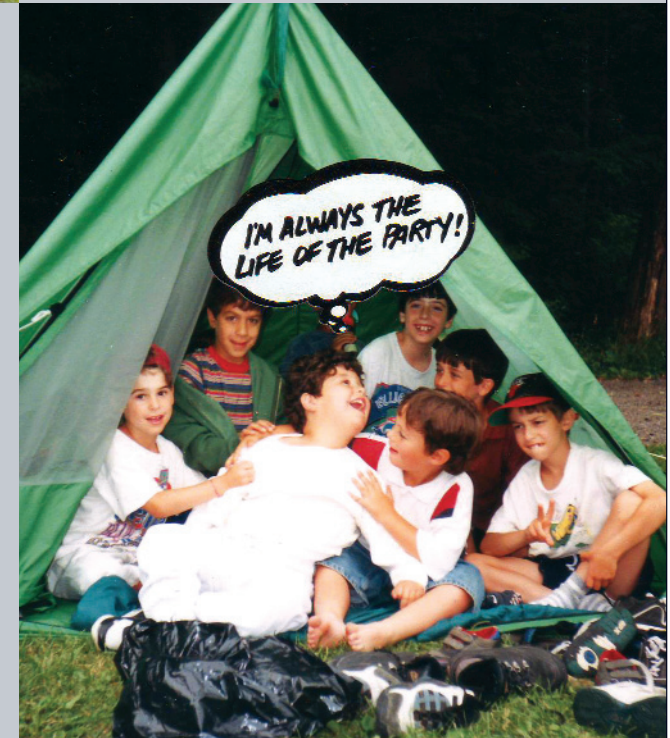

We are committed to promoting an environment where children and young adults with disabilities can mature with their peers allowing them to discover their full potential. We believe in an environment that encourages awareness and compassion, ability not disability, and integration not segregation.

HOW YOU CAN HELP

No organization can do it alone. It takes the support of many to enable Angels to continue its mission.

DONATE NOW

Angels relies heavily on donations and support from business and private sectors in order to sustain these programs.
